## Student Assistant (m/f/d) for Outreach and Communications

Dear Students,

We at HeiGIT are looking for a student assistant (15-20 h/week) for Outreach and Communications.

Your tasks will mostly consist of content creation for our blogs, events, and social media. Other PR-related tasks may also be part of your job.

The main working language will be English.

### Expertise:

- Experience with or interest in Social Media (Twitter, LinkedIn, Mastodon, Bluesky), blogging or journalism
- Background or interest in geography, environmental topics, GIScience, or computer science
- Fluency in written and spoken English
- Fluency in written and spoken German
- Optional: Experience with graphic design (InDesign) and/or with website content (WordPress)
- Flexibility and independence

### Benefits:

- Flexible working hours and creative work
- Insights into working with GIS applications
- University-related work for a charitable purpose

Please send us your meaningful application per email to [team-support@heigit.org](mailto:team-support@heigit.org). We are looking forward to your application.

We are happy to answer any further questions you may have.
